

SHORELINE COMMUNITY COLLEGE NURSING PROGRAM COURSE EQUIVALENCE CHART FOR WASHINGTON STATE COMMUNITY COLLEGES (revised July 2020)

This chart is subject to change and should be checked regularly

Washington State Community and Technical Colleges

1. Course equivalence is subject to revision in response to curricular changes at individual schools. All are 5-credit courses unless otherwise noted.
2. Course numbers with a "/" indicate that **both courses must** be taken to be equivalent. Course numbers with "or" indicate that **either course** will be considered equivalent.
3. The NLN-PAX test is required within one year prior to nursing program application date.
4. Courses that are not on this list require prior approval through a Transcript Evaluation Request form to determine equivalency (see nursing website).
