## RESIDENCY INFORMATION

Please read the following notice before responding to the questions in this section.

Effective July 1, 2003, Washington State law changed the definition of "resident student." The law makes certain students, who are not permanent residents or citizens of the United States, eligible for resident student status - and eligible to pay resident tuition rates - when they attend public colleges and universities in this state. *The law does not make these students eligible to receive need-based state or federal financial aid.* To qualify for resident status, students must complete an affidavit/declaration/certification if they are not permanent residents or citizens of the United States but have met **one** of the following conditions:

- **Condition One:** (a) Resided in Washington State for three years immediately prior to receiving a high school diploma, and (b) Completed the full senior year at a Washington high school, and (c) Continuously resided in the State since earning the high school diploma.
- **Condition Two:** (a) Completed the equivalent of a high school diploma, and (b) Resided in Washington State for three years immediately before receiving the equivalent of the diploma, and (c) Continuously resided in the State since earning the equivalent of a high school diploma.

**NOTE: If you meet one of the above conditions and would like to pay resident tuition rates, contact us to request the Residency Affidavit form.**
