Program Description:

Shoreline Community College offers a short-term Certificate of Completion (CC) in VCT Art & Design Foundation leading to an entry-level position in an office setting. Students interested in advancement are encouraged to enroll in longer courses of study to complete additional certificates or associate degrees in Visual Communication Technology. Students pursuing a four-year baccalaureate degree should follow the Business Associate in Fine Arts (AFA) degree planning guide.

VCT Art & Design Foundation —What is it?

This program is designed for students needing an introduction to art and Design as a complement to technical production. It is also one certificate in a series of short-term certificates which build towards a one-year certificate of proficiency in Visual Communications Technology VCT and also a two-year degree.

Program Outcomes:

Students who successfully complete this program—**by achieving a GPA of 2.0 or better for the entire program**— should be:

Prepared for entry-level positions and course studies in information technology for visual design principles.

Career Opportunities—What can I do with a Certificate in VCT Art & Design Foundation?

Graduates are prepared for entry-level positions as production assistants, graphic artist assistants, and customer service representatives.

Potential employers include: Art, photography, multimedia, and design houses. For more, please visit career information and resources at <http://www.shoreline.edu/counseling-center/career-counseling.aspx>.
