

COURSE EQUIVALENCE CHART FOR WASHINGTON STATE COMMUNITY COLLEGES & UNIVERSITIES

This chart is subject to change and should be checked at least every six months

1. Course equivalence is subject to revision by individual schools. All are 5-credit courses unless otherwise noted.
2. Course numbers with a "/" indicate that both courses must be taken to be equivalent. Course numbers with "or" indicate that either course will be considered equivalent.
3. Courses that are not on this list require prior approval through a Review of Course Equivalence form to determine equivalency (see Dental Hygiene website).

NOTE: VIRTUAL LABS WILL NOT BE ACCEPTED FOR ALL SCIENCE COURSES.

A. Anatomy & Physiology courses:

If taking combined Anatomy & Physiology, the complete sequence (BIOL&241 A&P I and BIOL&242 A& P II) OR (BIOL 231Anatomy and BIOL 232 Physiology) is required to transfer.

**BSTR 301 (General Anatomy): 4 credits may be taken at the University of Washington, but the Biology 118 and 119, Physiology must be taken to equal 10 credits for Anatomy and Physiology.

B. Quantitative Reasoning courses: 5 credits or more: 1) *Precalculus or higher, Mathematics for Elementary Education¹, Business Precalculus/Finite Mathematics, Statistics, and Math in Society; OR 2) Five (5) credits of a symbolic logic course that focuses on (a) sentence logic with proofs and (b) predicate logic with quantifiers and proofs and/or Aristotelian logic with Venn Diagrams.* Courses listed are **examples**, not a comprehensive list--refer to Gen. Ed. Core Requirements listed in Shoreline quarterly class schedule or online.

C. Multicultural Education courses: 5 credits. See course description on SCC website of approved courses listed above, if course qualifies for Diversity or Multicultural course Refer to list in Shoreline quarterly class schedule or online.

D. Human Relation Courses: 2-5 credits. See description on SCC website GEN ED REQUIREMENT COURSES listed are approved courses.

SEE SHORELINE DENTAL HYGIENE PROGRAM INFORMATION FOUND AT <http://www.shoreline.edu/dental> FOR ADDITIONAL APPLICATION INFORMATION

¹ The University of Washington accepts Mathematics for Elementary Education for elective credit, but not as meeting its QSR requirement, since UW offers no degree pathway for which it is appropriate.
