

The Sparrow Scholarship in Memory of Ted Luttrell

This scholarship was created by the family and friends of Ted Luttrell who was a student at Shoreline Community College at the time of his death from an aneurysm at age 20. A gifted bassist and lyricist, Ted had a passion for music and hoped to complete the audio recording program at SCC despite scholastic and medical challenges that made fulfilling his dream more difficult for him than most. This scholarship is intended to support students who share Ted's gift and passion for music and also face challenges that make attaining their dream more challenging than the norm. The Shoreline Community College Foundation will make available one \$3,000 scholarship to a student seeking a degree or certificate in the SCC Music Technology Program who meets the eligibility criteria.

The award will be for SCC tuition and fees related to tuition, and/or textbooks and required materials available through the SCC Bookstore. The scholarship has no cash exchange value and is non-transferable. The award expires June 2013.
