Music scholarship recipients are expected to participate in at least one major ensemble each quarter (Chorale, Shoreline Singers, Jazz Ensemble, Concert Band).

Your audition will consist of performing one piece for the scholarship committee. You will have about five minutes for your performance. You will not be asked to play scales, arpeggios, or other technical exercises, nor will you be asked to sight-read. The scholarship is based on your performance ability.

Your audition piece should be one that best displays your performance abilities. For most areas, your piece should be taken from the classical repertoire. Should you have a question as to the appropriateness of your selection, please contact the program chair:

You may bring your own accompanist or if desired we will provide one for you.

Make sure your application is complete. Include anything you feel is pertinent regarding your accomplishments.

Scholarship decisions usually take 3-4 weeks. We will notify all applicants of the committee's decision. Award winners will be given 4 weeks to accept their scholarship after which time the scholarship may be awarded to another applicant.

Good luck with your audition and all the best in your future endeavors.
