

Microsoft is launching its first, *ever*, **Washington State Intramural Imagine Cup competition**, and *your school is eligible to participate*. What this means for Shoreline Community College is that your school may win one of three grand prizes (plus your students can win daily prizes) just for registering for the Imagine Cup competition. With the US finals competition taking place in Redmond, WA this year, we would love to see representation from your school in the event. In the message below, you can see that we are offering some prizes for your students and your school just for encouraging students to register and compete.

What is Imagine Cup?

The Imagine Cup is a technology competition that encourages young people to apply their imagination, their passion and their creativity to technology innovations that can make a difference in the world – today. Now in its ninth year, the Imagine Cup has grown to be a truly global competition focused on finding solutions to real world issues. Encourage students to [register](#) and find out more...
