I. Office Positions

Linda opened the meeting with confirmation of satisfaction of all newly obtained office positions. No disputes were voiced. New SCCANS representatives from first quarter were appointed: Margaret O'Malley, Christine Morgan, Kattie Leahy and Rosalie Gammelgaard. We also confirmed the ease of updating the SCCANS website with appointed member Emily Wright, who stated she was willing to make any changes presented. We discussed updating the website at least annually. Also, it is reported that only Fourth Quarter does not have a SCCANS link/tab on Black Board.

II. Welcome Breakfast

The event will take place on 4/17 in room 2925, and is scheduled from 12-2 pm. The room is reserved from 11:30-2:30. Aron reported that bags have been completed, but still need to be stuffed. Some purchasing is still necessary for that task. There will be an emphasis on encouraging interaction with the students, and suggestions are welcomed regarding skits or activities. Contact Aron Ruderman with ideas.

III. Pulse Update

The issue is $\frac{3}{4}$ complete, Sharon Stewart has two articles to contribute. We agreed upon submitting a review of NCLEX study guides or a review of nursing websites in the upcoming issue; both topics were approved by the group.

IV. Nurse's Day Update

The event will open to the entire campus, though Sharon suggested we not advertise food due to limited funds. The event will take place 5/7/07 from 11:30-1:30. The speaker will be Ann Moore. Ebb Tide needs to be contacted for photos and an article. Fliers are to be posted campus wide. Lisa Smith can be contacted for assistance with making larger posters. College faculty/members need to be invited to the event. Tabitha is researching the purchase of door prizes. State funds cannot go to "celebrations", so Foundation funds may be used, after money is donated by Group Health, Everett Clinic, who will require a signage table at the event. Food is to cost roughly \$350. Set up will require 5-7 people, and break down will be lead by Simi and Anna, who will need help from another 3-4 people. Reps are asked to present this to their classes.

V. Fundraiser Update

Hopelink donations should not be limited to just hand sanitizer, but also include food or hygiene products. Garry Paulon, SCC Ambassador, sent an email from Leslie Brooks from Hopelink stating they are interested in SCC's participation. It was determined that SCCANS would like to help fundraise. We discussed leaving food and hygiene donation boxes throughout the building for all of Nurse's Week (instead of just one day).
