**PROGRAM DESCRIPTION**

The Accounting Program prepares students for a variety of accounting occupations in the public and private sector. Typically, accounting clerks establish, develop and maintain the financial records of organizations and departments. Job duties may include recording debits and credits, preparing ledgers and balance sheets, verifying the accuracy of records, classifying payables and receivables, preparing bank deposits and posting transactions. With the aid of improved and simplified software applications, many of these tasks are now performed and stored in computer files. Automation has expanded opportunities for managing financial information. In the accounting program, students use current software and develop skills in the creative process of organizing, analyzing and interpreting financial information.

**PROGRAM OUTCOMES**

Students who successfully complete this program should be able to:

1. Apply basic principles, theories and procedures for recording and reporting financial data.
2. Apply practical accounting practices in a variety of business structures including corporations, partnerships and small businesses.
3. Prepare financial reports, which summarize or analyze relevant financial data.
4. Provide management support in the budgeting, planning and decision-making processes.
5. Apply knowledge of payroll laws and related procedures.
6. Integrate accounting functions within a computerized business environment, select appropriate software and convert a manual accounting system to a computerized one.
7. \*\*Apply knowledge of individual income tax laws.

**CAREER OPPORTUNITIES**

Graduates can be employed by government and private industry. The job outlook for accounting-related occupations is very good.\* Many of the new accounting positions will be created in small, rapidly growing businesses. The field also provides opportunities for temporary employment, part-time work or providing accounting services out of your home.

**POTENTIAL POSITIONS INCLUDE**

Accounts Receivable/Accounts Payable, Full-Charge Bookkeeper, Junior Accountant, Ledger Clerk, Payroll Clerk, Tax Preparation and other paraprofessional positions in CPA firms. Entry-level salaries range significantly depending upon the size and type of business, prior experience and the level of technical expertise required. Entry-level annual salaries typically range from \$20,676 to \$30,216.\*
