

**ENVIRONMENTAL / RESOURCE SCIENCES  
ASSOCIATE IN SCIENCE – TRANSFER (AS-T) - TRACK 1**

2009-2010

The AS-T degree requires a minimum of **90 quarter credits** in courses numbered 100 or above and a cumulative GPA of 2.0 or higher. It transfers as part of the AS-Transfer agreement to all WA State public universities as well as several private colleges. In most cases students will be able to complete their Bachelors in two additional years of full-time study. Students will be required to take additional General Education courses to fulfill requirements of their Baccalaureate college/university. **SEE REVERSE SIDE FOR A LIST OF GENERAL EDUCATION AND DISTRIBUTION COURSES.**

**U of W note:** Students transferring to UW must meet high school core admissions requirements, including two years of the same world language in high school or two quarters in college. The third year/quarter of a language is a graduation requirement for students in the College of Arts & Sciences. Please refer to the U of W's Transfer Admission & Planning booklet for further details. This is also true for UW Bothell and Tacoma.

**WWU note:** Students interested in the BS in Environmental Science at Huxley College are strongly encouraged to contact Kathy Johnson at 360/650-2817 or Kathy.Johnson@wwu.edu  
It is strongly recommended that students complete an entire sequence of science courses at one institution.

Degree programs in Environmental and Resource Science are offered by many colleges/universities in WA State, both public and private. Specific requirements do vary, but classes required for this AS-T degree are commonly prerequisites for entrance into the junior year of a Bachelor of Science degree.

If you are more interested in the policy areas and prefer not to study so many science courses, degrees in Environmental Studies are also available at a number of colleges/universities. Please see the **Associate in Arts – Direct Transfer Agreement (AA-DTA) for Environmental Studies planning sheet.**

**RECOMMENDATIONS:**

---

The following is a list of classes which satisfy Shoreline's 2009-2010 AS-T General Education and Distribution requirements. Credits for a specific course may be used only once, i.e. may not be applied toward more than one distribution. **To graduate from SCC, complete a graduation application and return it to the Credential Evaluator or the Information Desk, which are both located in the FOSS Bldg – (5000 Bldg 2<sup>nd</sup> Floor) no later than the quarter before you plan to graduate.**
