

## Joseph Wood Rogers Memorial Scholarship in Mathematics

Joe Rogers was on the associate faculty of Shoreline Community College. He received his PhD in electrical engineering, but his true passion was mathematics. This scholarship is given to assist promising students to continue their studies in mathematics.

The Shoreline Community College Foundation, on behalf of family and friends who wish to honor Joe's memory, will make available the Joseph Wood Rogers Memorial Scholarship to one outstanding mathematics student in the amount of \$1,000. This scholarship is to be used for tuition on or before spring quarter 2010 at an accredited four-year college or university of the recipient's choice.

*The scholarship has no cash exchange value and is non-transferable.*

### Criteria for Eligibility

Applicant must

- Be a Washington state resident (as defined by the college).
- Have completed at least 30 credits at Shoreline Community College.  
Have completed at least two mathematic courses at or above the calculus level at Shoreline Community College.
- Have at least a 3.5 grade point average in mathematics.
- Intend to pursue a degree in mathematics at an accredited college or university.
- Show promise of continued growth in mathematics.

### Application Procedures

To be considered, each applicant must submit all of the following to the SCC Foundation Office by the deadline.

1. Official Shoreline Community College transcript through winter 2009.
2. One page typed personal essay describing your interest in mathematics and your professional goals.
3. Permission to contact all math instructors.
4. Name of three references (outside of Shoreline's math faculty) including addresses and phone numbers.
5. Completed application.

Recipient will be required to attend the SCC Foundation award presentation.

**DEADLINE:** Thursday, April 16, 2009
