

**SHORELINE COMMUNITY COLLEGE  
DISTRICT NUMBER SEVEN  
BOARD OF TRUSTEES  
REGULAR MEETING OF SEPTEMBER 25, 2013**

**TAB 1**

**ACTION**

**Subject: TACTC (Trustees Association of Community & Technical Colleges)  
Transforming Lives Awards**

**Background**

In its third year of administering and awarding the TACTC Transforming Lives Awards, the TACTC recently released a timeline for the 2014 Transforming Lives Awards—a timeline which includes a November 14, 2013 deadline by which each of the 34 Community and Technical Colleges is to submit its nominee to the TACTC. The November 14, 2013 deadline is a month earlier than the mid-December deadlines in 2012 and 2013.

The TACTC is in the midst of finalizing the Transforming Lives Awards nomination process and will communicate the process to the Community and Technical Colleges in late September or early October. It is anticipated that the nomination process will be similar to the process for award years 2012 – 2013.

**Recommendation**

It is recommended that the Board of Trustees identify two (2) members of the Board of Trustees to review the nomination submissions and determine the Shoreline Community College Board of Trustees' nominee for the 2014 TACTC Transforming Lives Awards.
