

**SHORELINE COMMUNITY COLLEGE
DISTRICT NUMBER SEVEN
BOARD OF TRUSTEES
REGULAR MEETING OF MARCH 15, 2017**

TAB 3

CONSENT AGENDA

Subject: Honors Fees

Background

The College is expanding its honors program that will allow students to participate in honors classes and receive certain additional services. In order to help fund the program, the College proposes to collect a fee from honors students in addition to tuition and other supplemental and course fees. The honors fee would be collected quarterly and would be used to fund program costs, including but not limited to staff support, travel, meals and refreshments (including honors seminar/meeting meals for students, staff, and faculty), equipment, and supplies.

Students participating in the honors program will have their financial aid budgets adjusted to reflect the honors fee, thus allowing them to maximize their access to federal, state, and College resources.

Recommendation

That the Board authorize honors fees by the following motion:

RESOLVED, that the Board of Trustees authorizes the College to collect an honors fee of up to \$495 per quarter for domestic students and up to \$695 per quarter for international students.
