

NOTICE FOR WEDNESDAY, MARCH 18, 2020 SHORELINE COMMUNITY COLLEGE BOARD OF TRUSTEES STUDY SESSION (3:00 PM) & REGULAR MEETING (4:30 PM)

[In consideration of State and County information and guidelines related to the Coronavirus (COVID-19)]

All meetings of the Board of Trustees are required to be public meetings and members of the College community and the public are welcome to attend. However, anyone attending the March 18 meeting should be mindful of the Coronavirus (COVID-19) health risks associated with attending public events in King County. Governor Inslee issued an amended proclamation on March 11, 2020 restricting gatherings of 250 people or more in King, Pierce, and Snohomish counties in order to contain the spread of the virus.

While the March 18 meeting will be held in the College's main dining room (#9215), we are also following the Public Health-Seattle & King County's recommendations in regard to event and community considerations (e.g. social distancing).

- The meeting will be streamed live via this link: <https://zoom.us/j/944911187>
- A smaller adjacent room will also be available for persons who want to view the meeting in a smaller group setting.
- Please check the College's homepage at www.shoreline.edu for COVID-19 health updates and information resources.
- Some or all Trustees and other participants may appear by telephone.

Public Comment. All Board of Trustees meetings include time for public comment, and the agenda for March 18 meeting will also include time for live public comment. Due to COVID-19 health concerns, everyone is also welcome to submit their public comments by email. Public comments should be emailed to lyonemitsu@shoreline.edu by 2:00 PM on Wednesday, March 18, 2020. Please place "Public Comment" in the subject of your email.
