Purpose of the proposal and its anticipated effects, including any changes in existing rules: The current admissions and registration rule is not required to be codified under WAC for Shoreline Community College to complete the operational tasks of admitting and registering students per RCW 34.05.010(16).

Reasons supporting proposal: Per RCW 34-05-010(16), a rule required to be in WAC does NOT include "rules of institutions of higher education involving standards of admission, academic achievement, academic credit, graduation and the granting of degrees, employment relationships, or fiscal processes." With this in mind, the College is proposing the elimination of this unnecessary rule related to admissions and registration at Shoreline Community College.
