

MATH PLACEMENT - COMPASS SCORES

Math scores are valid for two years

If you have questions about your math placement, please email mathadvising@shoreline.edu

If you have Accuplacer scores, contact advising for placement at 206-546-4559 and refer to their website <http://www.shoreline.edu/advising/prerequisites/accuplacer.aspx>

MATH TEST LEVEL	SCALED SCORE	COURSE PLACEMENT: <i>Check your degree requirements on a degree planning guide and-or with an adviser</i>
<u>Pre-Algebra</u>	0 - 21	Adult Basic Education (ABE) Math OR MATH 060 Basic Math (ABE math strongly recommended. See below for information on this low-cost option.)
	22 - 34	MATH 60 Basic Math
	35 - 100	MATH 070 Introduction to Algebra OR BUS 102 Business Mathematics (for some Professional/Technical programs).
<u>Algebra</u>	25 - 50	MATH 098 Intermediate Algebra I
	51 - 68	MATH 099 Intermediate Algebra II
	69 - 74	Decision Zone: If preparing for MATH 111 or 141, take MATH 099. If preparing for MATH& 107 or courses with same prerequisite you are ready. Check your Degree Planning Guide or contact your program adviser to determine what math class you need.
	69 - 100	Choose one of the following 100 level courses: <ul style="list-style-type: none"> - MATH& 107 Math in Society - MATH& 146* Introduction to Statistics - MATH& 171* Math for Elementary Education I Other courses with Math 098 prerequisite checking ECON& 201, PHIL& 120
	75 - 100	<ul style="list-style-type: none"> - MATH 111 Elements of Pre-Calculus - MATH& 141 Pre-Calculus I Other courses with Math 099 prerequisite checking - CHEM& 121*, PHYS 110, CHEM 171*
<u>College Algebra</u>	28 - 34	MATH 099 Intermediate Algebra II
	35 - 69	Choose from the following courses: <ul style="list-style-type: none"> - MATH &107, 111, &141, &146*, &171* - CHEM &121*, 171*, ECON& 201, PHIL&120, PHYS 110
	70 - 100	MATH& 142, &148, & **151 *MATH& 151 also requires a score of 70 for trigonometry.

*these courses also have English prerequisites

***Math 007:** Self-Paced Mathematics Review; a two-credit face-to-face individualized class held in a computer lab if you earned close to but below the class in which you want to enroll.

ABE (Adult Basic Education) Math costs \$25 per quarter plus the price of the textbook. A student tests into one of three levels of ABE Math and can continue taking classes until enough skills are acquired to retake the COMPASS test and place in to the appropriate Developmental Math level. ABE Math is also meant for students who study for the GED test or for a High School 21 diploma. Call 206-546-4531 for more information.
