

Petition for Prerequisite Coursework- Direct Student Loan

Name (please print clearly)

Social Security Number

Student ID Number

Students who are not enrolled in a degree or certificate program at Shoreline are not eligible for financial aid; however, there is one exception to this. If a student needs to complete preparatory courses in order to apply to a degree or a certificate program, the student can be considered for a prerequisite loan.

Only credits required by the program prior to applying for admission or entrance are allowed. A student who is only taking courses to raise his or her GPA in order to be admitted would not qualify. Students are able to borrow under this exception once in their financial aid lifetime. If enrolled at least half time (6 credits or more) for these preparatory courses, the student could be loan eligible for up to one consecutive, 12 month loan period.

To determine which preparatory courses need to be completed you must:

- Submit unofficial transcripts from ALL colleges or universities you have attended
- Submit documentation of preparatory courses needed for the intended academic program. (Documentation can be a copy of the program's catalog or web page listing the required preparatory classes.)

You must submit a Direct Loan Request Form in addition to this petition.

- Direct Loan Request Form
