

Fresh Start Program

I hereby request a “fresh start” at Shoreline Community College as described in the Fresh Start policy. I understand and agree to the following conditions of this policy:

Fresh Start

Students who have not been in attendance at any institution of higher learning for a period of 18 months may request the elimination of their previous Shoreline credits and GPA. The student’s academic record and transcript will continue to show the previous courses taken and grades received, but the grades for previous courses will not be used in the calculation of the student’s Shoreline GPA, and credits earned may not be used to satisfy graduation requirements. If a student transfers to another college or university, the receiving institution may accept credits and recalculate the GPA according to its own policies.

Courses petitioned cannot have been used toward a previously earned certificate or degree.
