The intent of this articulation agreement is to define the procedures for a transfer articulation between Rennes School of Business (hereinafter Rennes SB) and Shoreline Community College (hereinafter Shoreline). Both entities agree to mutual cooperation in establishing and maintaining articulation for their respective programs:

- 1) Shoreline Associate Degrees in Arts and Business with its campus located at 16101 Greenwood Ave. N., Shoreline, WA, 98133, U.S.A.

The agreement is intended for students having completed an Associate Degree in Business or Arts, who wish to transfer to Rennes SB and obtain a Rennes SB International Bachelor Program in Management Degree.

Firm arrangements between departments and institutions provide the opportunity for these students to obtain a complete bachelor's degree through program to program agreement, at the outset of their community college education.

Rennes School of Business agrees to accept all business and major education credits. General Education credits will also be accepted (see Appendix A).

- 1) Students who have completed their Associate Degree at Shoreline may transfer to Rennes School of Business's International Bachelor Program in Management with senior standing provided that the student has completed all business courses identified in Appendix A, with a cumulative GPA of 3.00 or higher.
- 2) Students who earn an Associate Degree in Arts or Business at Shoreline are guaranteed admission to the last and final year of the International Bachelor Programme in Management conditional upon meeting the prerequisites of the minimum requirements for admission.

- 3) After completing the International Bachelor Program in Management, students may be admitted to one of the Master Programs in Management/Business offered at Rennes School of Business, which can be completed in only one year, should they wish to pursue their studies (2+1+1).
- 4) Under this agreement, the tuition fees of the last year of the International Bachelor Program in Management amount 7300€ (8500\$) for the whole degree for the 2019 cohort. Those fees may be subject to an increase each year, according to the annual fee increase of Rennes School of Business.
- 5) Shoreline will inform prospective students of these 2 + 1 & 2 + 1 + 1 partnerships and will promote these on their website. Shoreline will provide Rennes School of Business with the contact information of students interested by this opportunity when feasible.
- 6) Shoreline and Rennes School of Business will assign a staff member to serve as a liaison to assure maintenance of communication between the two institutions. Representatives from both institutions will consult, whenever changes in policy or curricula arise, which may affect students transferring under the terms of this agreement.

This agreement will be in effect initially for three years, beginning fall 2019 with a review every year by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The agreement may be terminated by either party for due cause and after adequate notice of not less than six months if deemed necessary by either party.
