Spring 2025 Classes

Unlock Your Potential, Enrich Your Life

Garden Series: Plan your Pollinator Garden

Plan your Green spaces that provide pollinator habitat - such as parks, ravines, and greenbelts - are limited. We can help by creating pollinators to move through human-developed areas pollinating flowers, trees, and crops. Even small patches of habitat in window boxes, along sidewalks, and on porches give pollinators the opportunity to feed or rest.

5/20 | 6:00- 8:30 pm | Tuesday | Fee: \$59 | Kathy Anderson | On Campus

Registration is now open!

Register at bit.ly/3Rq9UKY

**Dive into arts and culture, meet a wellness goal, or find your next passion project with us!
Classes begin throughout the fall and no application or previous experience is required.**

ARTS & CULTURE

PNW Wines Masterclass

This class offers an in-depth exploration of the renowned wine regions of the Pacific Northwest, including Washington, Oregon, and British Columbia. Students will delve into the geography, climate, terroir as the history that defines these regions.
