

# Summer Classes

# Mosaic Art

Participants will explore mosaic techniques, layout design, cutting glass tiles, and grouting. No prior experience is necessary!

## House Numbers

July 12, 10am - 3pm

July 13, 10am - 12pm

Sat & Sun | \$129

Students will learn how to design and make a beautiful, durable mosaic house number for their home. (6 hours total)

## Stepping Stone

July 26 | 10 am - 1:30 pm | Sat | \$59

Create a custom stepping stone for your garden or home. Using colorful tiles and glass, you'll design and assemble a unique mosaic pattern that's both decorative and durable.

Aleksandra Nadbitova is an artist from the Republic of Kalmykia, Russia. She studied at the Art and Design Academy in Saint Petersburg. Since 2008, she has worked as a mosaic artist and art educator.

Aleksandra loves experimenting with different materials and techniques to create her art. For her, conveying emotions and connections through her work is essential. She believes that art is a unique way to express and share the beauty of the world.
