

# PROFESSIONAL NAVIGATOR

## Continuing Education Certificate

**Become a certified Professional Navigator in law enforcement**

Photo courtesy of Leah Nash Photo

The Professional Navigator Certificate Program trains navigators to partner with law enforcement. Navigators will develop a comprehensive understanding of modern-day policing as it relates to this emerging field.

Instructed by subject-matter experts: active law enforcement officers and clinical social workers.

**60-hour hybrid certificate program:** online instruction and face-to-face active learning seminars

**Start Date:** July 15

**Required on-campus seminars:** July 19, 20, 26, & 27

**Time:** 9am to 5pm

**Location:**

Shoreline Community College,  
16101 Greenwood Avenue North,  
Shoreline, WA

**Room:** 3002

**Cost:** \$2,999

(Parking, morning refreshments and lunch included for on-campus seminars.)

**Register by Monday, July 1st**

**Sign up Today!**

## Course descriptions:

- **Introduction to Police Culture, CE 101**

Learn about the navigator role and its benefit to law enforcement and the community. Understand the theory and practice of policing.

- **Understanding Force Science, CE 102**

Study the criminal and civil context of the application of force and force science.

- **Case Law: Concepts and Practice, CE 103**

Understand the application of influential landmark court decisions. Learn skills to testify in a court of law.

- **Capstone, CE 104**

Apply your knowledge of police culture and case law in role-play scenarios. Demonstrate the ability to independently document what you have witnessed as a professional navigator in law enforcement.
