You can ask questions using the TEXT tool. If you are planning to ask questions using a microphone, use a headset with microphone. Use external speaker (s) only if you are just listening in. After you have joined Collaborate, click TOOLS- AUDIO- AUDIO SETUP WIZARD to configure your computer. If you still have audio problem, open Control Panel- HARDWARE & SOUND- MANAGE AUDIO DEVICES, and make sure that your desired listening device (speaker or headset) is set as the default playback device.
