

23rd Annual Student Success Fundraiser

Sponsorship Opportunities

Sponsorships

The Shoreline Community College Foundation will be hosting our Virtual Student Success Community Fundraiser on October 20th. This event raises crucial dollars for student scholarships and emergency financial assistance for students in need. We have seen a significant increase in need from students affected by COVID-19. ***Many students must choose between purchasing books or buying groceries.*** This event supports those students in need and is attended by regional business owners, community leaders, and neighborhood friends. Please show your support and be recognized as a leader in the community for supporting students in need and Shoreline Community College Foundation.
