

## TRANSFER ADMISSION PATHWAY TO:

### **It's simple!**

1. Apply for admission to Shoreline Community College. Indicate your interest in the Transfer Admission Pathway to the University of California at Davis on your Shoreline application.
2. Receive an admission letter from Shoreline Community College, as well as a Transfer Admission Pathway participation letter to UC Davis, AT THE SAME TIME! (Please note that the pathway participants are very likely to be admitted, but are not guaranteed admission to UC Davis.)
3. Take your letters, along with your I-20 document, to the U.S. embassy or consulate and apply for your F-1 visa.
4. Enroll at Shoreline and finish the first half of your Bachelor's degree by earning an A.A. or A.S. degree.
5. Apply to UC Davis and, if accepted, transfer there to finish the second half of your Bachelor's degree.
6. Complete your Bachelor's degree at the University of California at Davis!

### **The Transfer Admission Pathway to UC Davis Requires:**

To secure your place at UC Davis, you must meet the following guidelines:

1. Complete a total of 90 transferable quarter units by the end of spring quarter for fall admission.
2. Complete two approved courses in English Composition with grades of 2.0 or better, by the end of fall quarter.
3. Complete one approved course in Math with a grade of 2.0 or better, by the end of fall quarter.
4. Meet the minimum transferable GPA requirements of 3.20.
5. Submit an official University of California application within the appropriate deadline.

There may be additional requirements depending on your major so I encourage you to meet with your SCC academic advisor to put together an academic plan. A UC Davis international admissions specialist is also available to help you understand how any foreign university work you have completed may transfer.
