

Serve on a college—wide committee

Each fall quarter, faculty, staff and students are given the opportunity to serve with others to benefit the campus community. In past years, these service opportunities were collectively referred to as "Governance Committees" even though many of them had little or nothing to do with actual college governance. This year the list is separated into Governance Committees, Campus-Wide Committees and Task Forces. While each of these groups is constituted differently, each accomplishes important work that affects your life on the campus – your input and participation are important to the entire campus community.

Please complete this form, indicating your interest in serving and return it to **Tom Curtis**, **Room 1016**. Appointments will be made early in Fall Quarter, so please return your form as soon as possible.
