

Dental Hygiene

Course Equivalence Form

To Request Evaluation of Courses from Other Colleges:

Check the Dental Hygiene [COURSE EQUIVALENCY GUIDE](#) for information on transferable courses from Washington Colleges and Universities. **Courses NOT on this list require prior approval through a COURSE EQUIVALENCY REVIEW PROCESS to determine equivalency. *Equivalency must be determined before applying to the program.*** Results of evaluation of your courses will be sent to you via email within two weeks, but may take longer. Please plan accordingly.

Forms required for evaluations request:

- Course Equivalence form
- **Official transcripts from each college you have attended**
- Course content (syllabus or outcome)
