## Course Equivalence Form

### To Request Evaluation of Courses from Other Colleges:

Check the Dental Hygiene [COURSE EQUIVALENCY GUIDE](#) for information on transferable courses from Washington Colleges and Universities. **Courses NOT on this list require prior approval through a COURSE EQUIVALENCE REVIEW PROCESS to determine equivalency.** Equivalency must be determined before applying to the program.

Forms required for evaluations request:

- Course Equivalence form
- Official transcripts from your college or institution
- Course content (syllabus or outcome)
