

COURSE EQUIVALENCE GUIDE WASHINGTON STATE COMMUNITY COLLEGES & UNIVERSITIES

This chart is subject to change and should be checked at least every six months

1. Course equivalence is subject to revision by individual schools. All are 5-credit courses unless otherwise noted.
2. Course numbers with a "/" indicate that both courses must be taken to be equivalent. Course numbers with "or" indicate that either course will be considered equivalent.
3. Courses not on this list require prior approval through Course Equivalence Review to determine equivalency. Please see Dental Hygiene website at [How to apply to Dental Hygiene | Shoreline Community College](#).
4. *****Biol& 241 and Biol& 242 are series-dependent and must be completed at the same college or university. The two courses may be taken separately only if they are completed at different colleges in Washington State.**
