To Request Evaluation of Courses from Other Colleges: Refer to the SCC Nursing Program Pre-Requisite Course Equivalency Chart for information on transferable courses within Washington state. Courses that are not on this list require prior approval through the Course Equivalence Review Process to determine equivalency. **Equivalency must be determined prior to the application deadline**

Two documents are required to review course equivalency:

- Review of Course Equivalence Form completed by the student (incomplete forms will not be reviewed)
- Official transcripts from your prior college or institution for ALL pre-requisite courses to be reviewed, regardless of whether the institution is listed on the [Equivalence Chart](#).

Course equivalency cannot be reviewed if any of these documents are missing.
