The safety of students is of the highest priority. Program staff and instructors work diligently to maintain an environment where students can participate safely in activities. In the event of a natural disaster, students will follow the standard procedures in place for all buildings on campus.

Disruptive behavior will not be tolerated at any time. Parents will be notified if major behavioral problems occur. Larger issues that lead to expulsion include physical endangerment of self/others, property damage, or theft.

Any student found with an illegal object(s) or substance(s) will be immediately removed from the program. Students will NOT receive tuition refunds if asked not to return due to disciplinary action.

Withdrawal, Refund, and Cancellation:

To cancel a registration and withdraw from a class, contact the Continuing Education office by phone at (206) 546-6966 or emailing continuing-ed@shoreline.edu three (3) business days prior to the start of the class. You will be refunded 100% of the course minus a \$10 processing fee. No refund will be made after that date. There are no partial refunds. Students who get sick after the camp has started will need to provide a doctor's note to obtain a refund for the camp or class, and if approved, the refund will be pro-rated based on the number of sessions missed.

Shoreline Community College reserves the right to cancel a class. In the rare event of a cancellation, you will be notified at the latest one week before the class's start date and will receive a 100% refund.
