Will you continue to take online classes every quarter?

**Please note:** the online pathway is a 10-credit program. Online classes follow a different curriculum to in-person classes. You may need to test into the Online program.

YES

NO

We recommend taking **in-person classes**

Do you have a computer or tablet AND internet AND computer skills?

You need a computer or tablet, internet service, and basic computer skills to be successful in online class.

YES

NO

Contact the Transitional Studies team for help accessing a computer/ tablet or internet. For computer skills, ask about Computer Literacy classes. Consider taking **in-person classes**.

What is your Shoreline ELL level?
