Campus Update (Stephanie Sareeram)

Changing of leadership coming soon. Nancy Dick will not be returning.

Update for 2024-25 academic year

Kevin Bressler hired for pro rata –

Kevin works with large format – will be helpful with move.

Industry Updates (Committee)

Catherine - Things still slow in LA, actors starting to pick up work. Teamsters negotiations still ongoing. Post production should pick up in September – work start flowing

Pessimistic by some-post production, some having not worked in a year – not really known outside of LA.

2022 – crazy year for work – then halted with strikes in 2023. Now smaller unions slowing down studios. Very little creation happening. Projects in works are waiting for the last of the strike negotians to get green light.

Morgan – Concerts - starting to see crest and slowing down, inflation, tight budgets. More picky about shows – not selling out like last year. Changes in regionally – companies selling out others.

New technology – cardio linerrelay – DANTE competition is Milan

Shows still being booked, concerts still happening.
