**Department updates –**  
 9 to 5 production was success –  
 Hired an alumni for cdf marketing – productions, social media, saw uptick of followers – 20%

**Partnerships:**

- Collaborated with music and music technology – Anjali Chudasama, and Matt Jorgensen,
- Co-directed with John Nold, created a team
- More Collaborations across campus – music, music tech, vct,
- Underserved students Brick Organization,  
<https://www.2025bricsummit.com/join>

Echo – group of students revamped the film club – International students – record events to share on social media for outlet for new and current students to learn about the campus. Very active.

 Echo Club Instagram Page <https://www.instagram.com/echo.scc>

**Certificates:**

Screenwriting and Stage Technology – new certificates – Screenwriting 2 class is new, Stage Technology certificate – create small badges and certificates for students to earn their degree. Will help with students who only taking a few classes, rather than full degree.

**Internships and opportunities?**

Holdbacks are scripts – nothing to work from – but if we have some scripts or outlines – helps students understand stories. Inquiries are coming in for students to work on projects. Would advisory members be willing to vet some projects since he doesn't always know people.

**Partnerships** – continue to expand - macklemore group -

**Opportunities**

Fifa Games – June and July

Large economic boost for state and US

Yvonne trying to work social media – good idea to boost visibility to college

Lindy B. event – incarcerated people stories

Movies that matter

Shoreline Shorts

Networking film festivals for students

Shorelake Arts

Shoreline Foundation

Langston Hughes – grants and scholarships
