| Discussion: Student successes: Providence Hospital commercial – student actors NEXT MEETING – Late fall 630 zoom to meet quorum? |
|---|

Badges – discussion on importance on badging in industry. With small turnout conversation was informal and more focused on students and industry professional working together.

Discussion:

partnering with local businesses to have our students work with our students.

Promoting through social media.

Information item: Student film club has asked film faculty (GWatt) to advise. Intent is to promote student clubs and activities on social platforms. Club is just getting started and will be promoted at student club fair in late October. Yvonne will touch base with George.

AI (Artificial Intelligence)– focus should be on understanding it and how to use tools, not be afraid to use. It can be helpful.

High school marketing – MartyB

- going into schools and showing cost savings at attending SCC instead of going to 4 yr university.
- show how our students are going to work during and after their time at SCC.
- dual credits earned for SCC with high school courses
- Tony will be judge for SW film festival.

NEXT MEETING DATE: Set for late fall?
