Kyle Winslow, Acting Associate Dean, Business & PE

Welcome and Introductions: The meeting was called to order at 12:35 by Chair Kevin Conefrey and members introduced themselves. Kevin welcomed Acting Associate Dean of Business and PE, Kyle Winslow. Kyle will serve as Associate Dean through June while the college reorganizes. Andy, Damon and Amy are new to the committee. Andy is a SCC BusAd graduate while Damon and Amy are from the Shoreline School District.

Approval of Spring Quarter Minutes: The minutes from the May 13, 2019 advisory committee meeting were approved.

Program Updates – New Project Management Offerings: BUS180 will cover Waterfall approach while BUS181 will cover Agile. Additionally, input from Workforce helped us identify the need for a PMP certification test prep course, which will be taught by BusAd faculty but offered through Continuing Education in Summer 2020.

Program Updates – Experiential Learning: The committee discussed how to include industry representatives in BusAd offerings other than internships and DECA, which is co-curricular. Ideas include having Entrepreneurship student interview successful entrepreneurs or having Business 101 students develop Shark Tank like entrepreneurial presentations then present to industry judges.

Announcement: The DECA program is looking for judges for Saturday, December 14 8:30 am to 1 pm PUB

Next Meeting: The Winter quarter meeting will be scheduled via Doodle poll and we will review degrees currently offered in Business.

The meeting adjourned at 1:55 p.m.
