Meeting started at 11:03.

The minutes from the last meeting were approved.

Shoreline Community College:

This quarter there are 5 students.

Still have a problem with some students being late to class.

John West volunteered to be the new chair person

CDJR Dealers:

Time clock for the students.

Being able to communicate well with the service writer.

Repair orders and stories.

Fundamental business class might be beneficial.

Being professional when around customers and going through the service writer to talk to the customer. Seeing it more from their mentor of how to handle the customer.

Mopar CAP Program:

Diesel, Pico Scope

We just received a new evap machine

For fall Rob has 6 people signed up. The minimum the college wants is 12 but the goal is 16.

The best students come from the dealers.
