WELCOME AND INTRODUCTIONS:

Introductions were made by Ken Campbell and he welcomed and thanked everyone for being able to attend today's meeting.

NEW DEAN & NEW AUTOMOTIVE DIRECTOR

The automotive department had a change in the Dean Department. The automotive department is now under Workforce which is run by the newly hired, Dan Fey, who will now be the new dean in charge of Automotive.

There is a new Director being hired and starting date is still being discussed.

VERIFICATION OF CONTACT INFORMATION

Sheet was passed around and everyone was asked to update their current information.

RECRUITMENT & ENROLLMENT

Classes are full for Summer. Fall classes have, so far, three students.

REPORT ON THE SECOND SECTION OF MOPAR CAP

The college has approved the second section of the CAP program. This will enable more techs to get out there. There was a concern that as techs retire, new techs need to be hired but there was a shortage. This program will definitely benefit the Chrysler program.

BUDGET FOR CAP

Ken Campbell reported that Chrysler gave \$4,000 last year and will more than likely donate another \$4000 this year.

We also received \$500 from the Tacoma Mopar Car Club once a year.

REPORT FROM THE PORTLAND TRAINING CENTER

There is a real problem with training. The dealers do not want to send their techs to Portland for training because it is too expensive. The training needs to continue at Shoreline Community College which makes it more affordable.

SCHEDULE OF NEXT MEETING

Please mark your calendars for the next meeting scheduled for Friday, October 10, from 11:30 am – 1:30 pm.
