Welcome and Introductions (Rosie)

Approved minutes from May 13, 2020

Program Update and Status Report (Rosie and Evelyn)

- CODA Program Change Report
- UW “major site of instruction” (SCC faculty sent to UW location)
- DH Class size from 24 to 10 (Class of 2022)
- Weekly meetings with UW
- CODA reports all accepted
- Curriculum Workshop (Summer 2020): standardized Syllabi, curriculum review to meet CODA requirements, Bloom’s Taxonomy educational model (remember, understand, apply), matching course objectives and assessments

UW Update (Dean Chiodo)

- DH shortage in WA state and the nation
- UW and SCC collaboration for facilities renovation and Covid-19 procedures
- Intent is to increase DH size in the future
- Need to go beyond 24 DH students – SCC best DH school in WA state
- Continue monitoring and increasing the workforce for DDS and RDH
- Academic, research and policy development
- UW has subspecialties to promote these (Masters and PhD programs)
- Interdisciplinary education opportunities for RDH
- Opportunities to specialize in pediatrics, oral medicine, DECOD, RIDE

- Medically compromised patients – pre and post transplant, chemo and radiation therapy, immunodeficient
- UW ready also for Dental Therapist program with curriculum as legislature evaluates

SCC Update (President Roberts)

- Since January 2020, looking for a long term solution
- BAS degree – WA State Board is in support
- Intent is to strengthen SCC DH program – best in WA state
- UW Dental School top 4 in the world
- Collaboration with UW President Cauce and Board of Regents
- 1.3 million investment
- Full move Summer 2021
- Collaboration with SKCDS (Seattle King County Dental Society) and ARCORA (Delta Dental)
- 3 million grant proposal
- SCC Full time Faculty: moving everyone from SCC to UW

Discussion

- Concern about racial makeup of classes (Dr. Quarnstrom)
- DH application revised to increase diversity and inclusion (President Roberts)
- UW “Diversity Blueprint” of diversity and inclusion in both students and faculty (Dean Chiodo)
