Welcome, Introductions and Approval of June Minutes

Jason Petrait welcomed the committee to introduce themselves and the June 2020 minutes were approved.

Shoreline School District Updates

Dan presented teacher certifications for conditional approval and they were approved by the committee. The handouts and slide deck will be on file as attachments. Dan fielded some Q & A.

Dan also had an “ASK” for the committee. Please give him input on building out the Health Sciences pathway. Jason and Nathan mentioned they will follow up.

Shoreline Community College Updates

Guy said the college will continue to work remotely through winter quarter with exceptions in Automotive, Nursing, Biotechnology, and Manufacturing. However, curriculum that is not lab but mostly lecture, will occur remotely. Things are challenging due to remote environment that has no indication of loosening guidelines dictated by the State. There have been challenges with enrollment and the summer strategy meetings were exciting.

Review of Worker Retraining Local Policies and Budget

Savena and Fikru talked about a few PowerPoint slides including the re-training budget. No voting needed. A question came forward about timeline of the numbers and Savena said the numbers are older because they span the whole year.

Labor Market Data

Anneliese gave a PowerPoint (27 slides) presentation on labor market data.
Action: Lauren to share out slide deck in an email.
